

CoastDental®

**Coast Dental Relocates West Palm Beach Practice to Boynton Beach, Florida.
Dr. Paul Krykhtin offers comprehensive dental services, accepts most dental insurance plans.
New patient specials offered.**

Boynton Beach, FL (September 13, 2011) – To better serve patients, [Paul Krykhtin, DDS](#), relocated his Coast Dental practice from West Palm Beach to Boynton Beach. Coast Dental Boynton Beach recently opened in the Boynton Beach Plaza at 4756 N. Congress Avenue and is accepting new patients. Dr. Krykhtin and his friendly, caring staff provide comprehensive family dentistry services to adults and children starting at age 10. Office hours are Monday – Friday 8:30 a.m. to 5:00 p.m. The practice accepts more than [200 dental insurance plans](#) and can usually accommodate [dental emergencies](#) the same day. For an appointment call (561) 868-0900 or visit www.CoastDental.com/office/BoyntonBeach .

Dr. Krykhtin is a general dentist offering a number of [grand opening specials](#) to help patients get started on a regular program of good oral hygiene. They include free exams and x-rays to new patients who do not have dental insurance. Coast Dental will also waive the first-year membership fee in its exclusive discount dental plan, Smile Plus, for patients without dental benefits. Additional offers can be downloaded at <http://www.coastdental.com/office/BoyntonBeach/special-offers/>.

Dr. Krykhtin helps patients get beautiful and healthy smiles by offering dental exams, [cleanings](#), [periodontal \(gum\) therapy](#), soft tissue laser therapy, [dental implants and restorations](#), [bone grafting](#), [crown lengthening](#), endodontic surgery, [extractions](#), Lumineers[®], pre-prosthetic surgery, ridge augmentation, [root canal therapy](#), retreatment and surgical procedures and [veneers](#).

He also performs [advanced oral cancer screening](#) exams with Identafi[®], the world's first and only multispectral imaging device for detecting oral cancer, the sixth deadliest form of cancer, at its earliest and most curable stages.

About Dr. Krykhtin

Dr. Krykhtin earned his dental degree at Stony Brook School of Dental Medicine in New York. He also completed a residency at St. Peter's Hospital in Albany, New York. His undergraduate degree is from the University of Rochester in New York. He is a member of the American Dental Implant Association, American Dental Association, and Academy of General Dentistry and is fluent in English and Russian.

About Coast Dental

Coast Dental PA, with its professional associations, is one of the largest providers of general and specialty dental care in the U.S. with 182 affiliated dental practices in Florida, Georgia, California, Nevada and Texas. Coast Dental Services Inc. is a privately-held practice management company that provides comprehensive, non-clinical business and administrative services to its affiliated dental practices. The company was founded by Dr. Adam Diasti and Dr. Derek Diasti and is headquartered in Tampa, Florida. For more information, visit www.CoastDental.com.

About Smile Plus[®]

In addition to accepting most dental insurance plans, Coast Dental offers Smile Plus[®], a discount dental plan, to patients who do not have dental insurance. Patients who join Smile Plus save an average of 30 to 60 percent annually on dental services. Smile Plus[®] is a discount dental plan, not a registered insurance plan. Smile Plus is accepted only at Coast Dental practices and cannot be used in combination with dental insurance or other discount dental plans. The free membership offer applies only to the first year enrollment and is available only in the Boynton Beach office. The offer expires September 30, 2012. Smile Plus memberships expire one year from the date of enrollment. For more information, visit www.CoastDental.com/BoyntonBeach/SmilePlus.
